## Student Self-Reflection & Feedback Form (Semester MIDTERM)

So far in Speech, I've enjoyed...

As a STUDENT in Speech class, I feel I need to improve/do better with/in...

In preparing for my first (graded) public speech, I'm nervous about...

**Write 3 steps for personal improvement in this class...STEPS you can take both in and out of class, to improve your learning or your grade.** (This can be *anything* from scheduling a time outside of class to meet with your teacher, to choosing an active listening posture more often, to participating more in class discussions, to taking better notes on homework videos, etc.) **If you're already doing well and find it hard to answer this question, skip to next question.**

- 1.
- 2.
- 3.

**If you're doing well in Speech, or if you feel like you've worked hard to do well in Speech, list 3 things you feel have contributed toward your success.**

- 1.
- 2.
- 3.

How often do you use Ms. Price's website ([www.kristaprice.com](http://www.kristaprice.com)) for clarification of assignments, homework, or to catch up on class activities when you were absent?

- a. Daily
- b. Almost every day
- c. Approximately once/week
- d. I've only looked at it a couple of times
- e. Never

Name one thing that Ms. Price can do to help you individually with your learning.

Name one thing Ms. Price does well, which you find helpful as a student/learner.
