

What do you notice about the set's **MODEL**?

What did you find interesting about the set **DESIGN PROCESS**?
(How/when/why designers create their designs)

What did you find **INTERESTING** about the **DESIGNS** for *Wicked*?

The designer says that the **STORY** is about two sisters, but what was the **MOOD/STYLE** the designer was trying to create?

Stagecraft

Name: _____

What are the **VISUAL ELEMENTS** that are present in the design to continually show the MOOD/STYLE of the show?

What did the designers do to make **TRANSITIONS** a part of the actual show?

How did the designers make the the theatre/experience more **INTIMATE** for the audience?

What are some design **DETAILS** you found interesting?

(HOW things were made; What was THOUGHT ABOUT in the design of specific items; What MATERIALS were used, etc.)

What **RESEARCH** did the designers do?
