RADIDANNOUNCER

Start

RADIO ANNOUNCER. And tonight's radio hour was brought to you by our sponsor, Westclox, makers of exceptional timepieces for ladies and gentlemen. Keeping you right in style, right on time. (The women sing the following words, turning them into a quick jingle ...)

REALIZED EMELICATION TE. (Singing, harmonizing.)

Realized to the contraction of the property of the contraction of the contract

RADIO ANNOUNCER. (In his best pitchman voice.) Westclox creates the right watches for you and me. Why? Their luminous watches offer you protection, confidence and fashion, even in the dark of night. Only Westclox famous "night and day" watches can boast that they're painted with radium — and never a cheap substitute. It's the finest radium guaranteed to keep glowing for twelve years or more. Over a million customers can't be wrong! They wear only Westclox. And Westclox wears only radium.

SLIDE: 1928

Night.

Catherine and Tom's house.

He pours two cups of coffee.

Catherine enters.

TOM. The kids...?

CATHERINE. Read themselves to sleep. The beauty of a good bedtime story. You did the dishes. Thank you:

TOM. I'm getting better.

CATHERINE. We make a good team, don't we?
